Restoring

Promoting Well-

One Stop Information Opportunity is from 2:15pm-3:30pm following legal workshop!

Building Relationships

Question: What is a one stop resource information event? **Answer:** The one stop resource information event allows providers of services to come together in one space to meet with individuals returning to the community or those with past involvement with the legal system. Information available will include: employment, substance abuse treatment, legal, community support, family support, etc. The goal is to reduce barriers and stress that contribute to people to re-offending.

Question: So what is in it for me? **Answer:** The opportunity for you to get unanswered questions, answered and to meet other people who have had similar experiences. This also allows you the opportunity to take a proactive approach to developing a positive life style for you and your family.

THIS EVENT IS FREE AND OPEN TO ALL.
