Reentry means
“Going Home to Stay”

{ Serving Lake County residents }

Lake County Citizen Circle

What is a Citizen Circle?

Citizen Circles are groups of community members committed to helping participants make the transition back into the community who have been involved in the local or state court systems.

Participants benefit from an increased connection to local resources, improved sense of belonging and self worth, and increased opportunity for a successful reentry. Circle members believe in looking at the future rather than the past and focusing on acceptance and personal strengths.

How does it work?

- ◆ A person is referred/refers themselves to the Circle (all referrals are **confidential**)
- ◆ The participant meets with the Circle to address issues in any of the following domain areas essential for positive community re-entry:
 - Employment
 - Education
 - Family/Marital
 - Social Interactions
 - Substance Abuse
 - Community Functioning
 - Personal/Emotional Orientation
 - Attitude
- ◆ The Circle helps the participant in creating an action plan and tools needed for addressing needs by focusing on the positive strengths and skills the person already has. Follow up contact, support and future visits to the Circle improve success.

Contact Us
